The Zeitgeist Seer program is designed to foster progress in every aspect. It is important to highlight the progress in members of the program, but what about the progress of the program itself?

Zeitgeist 先知计划旨在促进各个方面的进展。突出计划成员的进展很重要，但计划本身的进展如何呢？

We are committed to growing together as a community, and an important part of that commitment is our level of transparency. Here you will be able to find regularly timed reports highlighting what has been accomplished within the Seer Program, and what we are looking to focus on next.

我们承诺将和社区共同成长，这一承诺的一个重要部分是我们的透明度。在这里，您将能够找到定期的报告，重点介绍在先知计划中已经完成的工作，以及我们接下来要关注的内容。
